

ASG 2026-2027 Goals

Goal #1

A red circular icon containing three black dots, representing a list or sequence, located to the left of the text for Goal #1.

The IVC Associated Students Government (ASG) will designate student representatives to work directly with PR and Marketing throughout the design and review process and finalize one official ASG logo for use on promotional materials, social media, apparel, events, and other official ASG communications.

Goal #2

A red circular icon containing a black line graph with an upward-pointing arrow, representing growth or progress, located to the left of the text for Goal #2.

By the end of the 2026-2027 academic year, IVC ASG will collaborate with campus departments, student organizations, and community partners to implement at least four collaborative outreach activities that promote ASG, campus life, student services, and available resources, with the goal of increasing student engagement, connection, and overall school pride.

Goal #3

A red circular icon containing a black clipboard with a checklist, representing a list of tasks or goals, located to the left of the text for Goal #3.

The IVC Associated Students Government (ASG) will advocate for improvements to the student onboarding experience by identifying and addressing barriers students may encounter from initial high school outreach and recruitment through their first year at IVC. Areas of focus will include onboarding education, waitlist communication, financial aid awarding and communication, work-study opportunities, registration processes, and access to campus resources and support services.
