Electrical Technology
Advisory Committee
UADOPTED MINUTES**

April 12, 2022
12:00-1:00 P.M.
Room 3113

Those in attendance were as follows:

Janeth Cruz, Internship Coordinator
Genaro Ayala, Job Developer
Efrain Silva, Dean of Economic & Workforce
Jose Velasquez, Building Construction Faculty
Maricela Moreno, Student Success Specialist
Roxanne Morales, CTE Counselor
Marco Miranda, ECE
Carlos Araiza, IVC Welding
Domingo Reyes, IID
Cole Westerman, Kinder Morgan
Justin Pankratz, Tom Watson inc.

I. The Meeting was called to Order By Jose Roman at 12:00 P.M.

II. Welcome and Introductions

Dean Silva welcomed the committee and all who were present introduced themselves.

III. Approval Of Minutes

M/S/C: Cole Westerman/Marco Miranda to approve the minutes of June 3, 2021.

IV. Program Updates

The committee was informed that Southwest High School has an articulation with Imperial Valley College for the Electrical program.
Thursday April 14th there will be a Career Fair day at Calipatria High School and On May 12th there will be a Career Expo.

V. Solar PV1 & PV2

Dean Silva explained the background of the Solar program to the committee and shared with them that there has been low enrollment for this program. It was recommended to

have a semester of Fundamentals and to incorporate some of the points from PV1 and add it to the EWIR course, then have PV1 & PV2 separate.

VI. Lithium Projects

Dean Silva explained what the Lithium project is and introduce the two programs that will be added to our department which are Plant Operator & Instrumentation Technician. The committee was informed that there would be advisory meetings for both programs.

VII. Career Services Center

Maricela Moreno explained that the Career Services Center helps students with resumes, mock interviews, job placements, and they also do job postings for industry.

VIII. Internships

Janeth Cruz explained that her job is to work with students and placing them in internships with industry. She explained that there are both paid and unpaid internships. 1 unit=60 hours and paid 1 unit=70 hours.

IX. Industry Input

Many members didn't know about the program and are happy to hear that it exists.

X. Other

Genaro Ayala explained his role in job placing and informed the industry that if they are in need of employees that they will screen the students and chose the one/s that would best fit the position.

XI. Next Meeting

TBD

XII. MEETING WAS ADJOURNED AT 1:00 PM
