WHEREAS, in accordance with Section 81820 of the California Education Code, each year community college districts are required to submit a Five Year Construction Plan to the Chancellor the California Community Colleges; and

WHEREAS, the Five Year Plan communicates to the State Chancellor's Office and other State agencies the anticipated capital outlay needs of the district for the next five years; and

WHEREAS, the Five Year Construction Plan includes information on current enrollment, projected enrollment, and instructional staff. This information, together with actual college space utilization, is analyzed by the Chancellor's Office to develop load-capacity ratios, which are measures of a college's need in certain areas. The load-capacity ratio is one factor that is considered in State funding of a capital project; and

WHEREAS, one component to the Five Year Construction Plan is the project priority list for the five-year period. The priority list includes all facility needs of the District based on the Education Master Plan, regardless of whether State funding will be requested. The Project Priority List includes projects that are under way, projects that have been approved by the District for bond or other funding, and projects for which State funding will be requested.

NOW, THEREFORE, BE IT RESOLVED that the Board approves the submission of the 2017-21 Five Year Construction Plan to the California Community Colleges Chancellor's Office.
