

# Objectives by Planning Unit and Status

Planning Year: 2018-2019,2016-2017,2017-2018

## Planning Year: 2016-2017

Unit Code	Planning Unit	Unit Manager
22103	Building Construction Technology, Carpentry Specialization, & Cement Specialization	Velasquez, Jose

### Objective Status: In Progress

- 716 Student Internship
- Create a student internship with local industry leaders to help students transition from college to the labor force.
- Update 3/16/17 Internship was created in all programs with the help of the business department and the building construction internship is still in progress awaiting modifications recommended by the industry.

### Objective Status: Initiated

- 1030 Full Time Department Secretary
- Due to the expansion of the Industrial Technology Program and the addition of 4 new full time instructors the workload for our current secretary has increased and she is currently shared between two departments. Therefore a full time Department secretary will be needed an a budget enhancement will be submitted to pay for the additional time secretary salary.
