989	CISCO Marketing
	Request marketing funds to market program changes and hybrid course offerings.

990	Update CISCO program
	?Update CISCO program. Remove CIS 165 and CIS 164 from the program. The two courses have had a history of low enrollment. CISCO will become a certificate program as the number of units required for a degree are not met.

1253	CISCO Marketing
	Request marketing funds to market program changes and hybrid course offerings.

1254	Update CISCO program
	Update CISCO program. We have successfully removed CIS 165 and CIS 164 from the program. Now we need to add a network security course to the program to bring it above 16 units to make it eligible for financial aid. This will hopefully increase enrollment in the program.
