## Objective Status: In Progress

906 Evaluate SLOs for All Reading Courses

Evaluate the current Student Learning Outcomes for all Reading courses (Reading 018, 019, and 111, and the reading SLO in English 110) and determine whether these SLOs need to be revised or replaced. This should be completed by Fall 2017, and the details of this evaluation will be integrated into the comprehensive program review for Reading at that time.

Update 11/28/17: The focus for the past year has been on writing courses, so we have not begun addressing any changes to reading. We will begin doing this in Spring 2018 and finish in Fall 2018.
