## Job Opportunities

Below you will find the list of open positions at Imperial Valley College.

To be considered for the position applying for, applicants must submit the required items by the deadline, which include: online IVC application, current resume, and ALL unofficial transcripts. If you are applying for an Administrative or Management Position, you will need to also attach 3 letters of recommendation. All attachments will be uploaded into the online application. Applications which do not include all of the required materials will not be forwarded to the screening committee for consideration. Materials submitted become property of the District and will not be returned, copied, or considered for other openings.

**For all Faculty (Full-Time & Part-Time) and Administrative positions: If you do not meet the minimum qualifications requirements, you MUST fill out the equivalency form and submit with your application packet! Failure to do so, may result in a disqualification of your application. It is the applicants' responsibility! You can find the equivalency form here.**

Applicants must be able, upon employment, to submit verification that you are a United States citizen or are currently eligible to work permanently in the United States without sponsorship.

**If you are an applicant in need of special services or facilities due to a disability in order to apply or interview for a position at Imperial Valley College please contact the Human Resources Office at (760) 355-6212.**
