Dear Faculty:

I have enclosed a video update on how to access the new SLO forms for entering SLO data, which can be found on the newly-being built SLO Canvas Website. Faculty will no longer have to enter any information into SPOL.

Thanks,

Hello, everyone,

I want to remind you that in order to input SLO or PLO data, you no longer have to use SPOL. Instead of using SPOL, you should use the SLO and PLO forms. These forms can be found on the new SLO website. Sixty-six SLO forms have already been submitted, which is great to see. if you need any help, let me know.

Happy and Safe Holidays!!

Kevin
