AB 705

IVC is going to give you the support you need inside and outside the classroom through AB 705. AB 705 is a law that requires California Community Colleges to maximize the probability that students will enter and complete transfer level coursework in English and math, all within a one-year time frame.

Online vs. Face-to-Face classes

Find the class format that fits how you learn best.

Online (Asynchronous)

No set meeting times. All coursework is completed on Canvas at a flexible pace, as long as deadlines are met.

- ✓ **Good for:** working independently, staying on top of deadlines, and not needing frequent reminders.

Real-Time Online (Synchronous)

Live Zoom sessions are typically held twice a week at scheduled times, similar to a face-to-face class, but attended remotely. Coursework will be completed on Canvas.

- ✓ **Good for:** live interaction and a set schedule without needing to come to campus.

Hybrid

A mix of in-person and online learning. Most classes meet on campus once a week, with the rest of the work completed online on Canvas.

- ✓ **Good for:** getting face-to-face interaction with instructors but still having some flexibility.

Face-to-Face

Most classes meet fully on campus twice a week on set days and times.

- ✓ **Good for:** in-person learning and maintaining a consistent routine.

Conclusion:

Think about how you learn best.

Do you prefer structure or flexibility? Are you comfortable using Canvas or Zoom? Do you focus better when you're in a classroom? Choosing the right class format can make a big difference.

Zero-Textbook Cost, Low -Textbook Cost, Embedded Tutor and Support Class Identification

Zero-Textbook Cost (ZTC) classes are identified with this blue triangle next to the specific course listing in the IVC Student Schedules.

Zero-Textbook Cost (ZTC) classes and programs rely on Open Educational Resources (OERs) and other online resources to eliminate textbook costs for students.

Low -Textbook Cost (LTC) classes are identified with this Purple triangle next to the specific course listing in the IVC Student Schedules. Low -Textbook Cost (LTC) classes and programs use textbooks that cost less than \$50.00.

Embedded Tutor Classes are identified with a green dot next to the specific course listing in the IVC Student Schedules.

The Embedded Tutor Program provides a tutor right in your classroom. The tutor will be with you every step of the way, in and out of the class. You can ask for help in class or attend bi-weekly review sessions with your classmates to review important concepts, sharpen your study skills, or ask questions about assignments. Due to staffing issues the Embedded Tutor Program might not be available for all classes and is subject to change.

Support Classes are identified with an orange square next to the specific course listings in the IVC Student Schedule. These courses are designed to be taken together to improve student pass rates; they need to be added or dropped simultaneously.
