CALIFORNIA GENERAL EDUCATION TRANSFER CURRICULUM (Cal-GETC)

The California General Education Transfer Curriculum (Cal-GETC) is the singular general education pathway for California Community College (CCC) students to fulfill lower-division general education requirements necessary for transfer and admission to both the California State University (CSU) and the University of California (UC). The Cal-GETC replaces both IGETC and CSU GE-B for all community college transfer students who begin college in Fall 2025 or after.

- Students who have earned a prior CSU GE-B or IGETC certification do not need to complete the Cal GETC for university admission.
- International coursework may be applied only if the institution holds a regional accreditation.
- The Cal-GETC will accept AP and IB external examinations. CLEP is not accepted for Cal-GETC.
- A minimum grade of "C" or higher is required for all courses used for Cal-GETC certification. Pass/No Pass is acceptable provided a "Pass" is equivalent to a "C" or higher. No more than 14 units of Pass/No Pass is accepted by the UC system or for Cal-GETC.

Requirements outside of Cal-GETC:

U.S. History, Constitution and American Ideals - (AI) Requirement

The CSU U.S. History, Constitution, and American Ideals graduation requirement is not part of Cal-GETC. However, courses used to meet this requirement may also be used to satisfy Cal-GETC. The CCC is allowed to certify completion of this requirement prior to transfer.
