***Use Assist or IVC Transfer Center Major Preparation Advising Sheet for list of major prep courses.**

^ SDSU requires a 3rd college semester language requirement; SDSU catalog notes options on how competency can be demonstrated.

~ These SDSU IV degrees are currently available for the CSET waiver; students will need to consult SDSU IV staff for details.

**Requirement waived for IV Campus

The BS degrees in Chemistry and Electrical Engineering are expected to open to transfer students for Fall 2028.

Prepared by IVC Transfer Center 8/3/2026

Liberal Studies: Education Generalist	Beginning in 26-27 IVC only offers the ETE for Transfer-Integrated Programs ADT. SDSU has not published similarity. 7/30/26 The original ADT in ETE for Transfer is confirmed similar but only open to IVC students with catalog rights prior to 26-27. As of 26-27 the original ETE for Transfer is discontinued at IVC, and ETE for Transfer-Integrated Program is offered. The Mathematics emphasis is no longer offered. Chem 308 s no longer offered at SDSU IV. Students needing PHSC 110 must take it at IVC.
Psychology	Beginning in 26-27 IVC PSY 201 is articulated with SDSU's PSY 201. Beginning in 26-27 The lower division Biology requirement in the major has been removed. No foreign language needed. SDSU IV will now offer PSY 281, IVC students taking Math 119/STAT C1000 can take PSY 281 after transfer to avoid the credit duplication of completing PSY 214 and Math 119/STAT C1000.
Public Health: Environmental Health	Chem 130 is offered during the Spring terms for cross enrollment at SDSU IV.
