NAU Northern Arizona University

Associate from Imperial Valley College to Transfer to Northern Arizona University

Bachelor of Science in Emergency Management - 90-30

Transfer Plan (2026-2027)

To Be Completed at Imperial Valley Community College

- ❑ Associate. Complete an associate degree that includes the California General Education Transfer Curriculum (Cal-GETC) GE pattern. What is Cal-GETC? It's a set of general-education courses that California community college students can complete before transferring to a California State University (CSU) or University of California (UC) campus. Previously completed degrees using CSU GEB and IGETC are also accepted.
- ❑ Requirements to be completed at Imperial Valley College.- *(Multi-use credits may also fill Cal-GETC or Associate degree requirements.)*

Students may transfer up to 90 units of community college and/or university credit from regionally accredited institutions of higher education.
Questions? Work with your community College advisor or your NAU Transfer Representative.

- ❑ Preprofessional Requirements to be completed at Imperial Valley Community College.- *(Multi-use credits may also fill Cal-GETC or Associate degree requirements.)*

None
