Advising Notes

- Foreign Language: There is no foreign language requirement.
- The Psychology for Transfer ADT degree is accepted but not required.
- The ADT needs to be completed by spring for fall admissions or summer for spring admissions.
- PSY 212 is required to complete the IVC Psychology for Transfer degree.
- * PSY 214 fulfills the major prep requirement; if a student takes MATH 119 or STAT C1000, a data analysis course would need to be completed at SDSU IV or another community college. SDSU only awards 4 units of credit if a student takes both PSY 214 and Math 119/STAT C1000.
- Beginning 2026-2027, Biology is no longer prep for the major. This applies to students transferring Fall 2026 or later.
